Image not found or type unknown Due to copyright issue, you must read Cadet Chassis Setup Guide Pdf online. You can read CadetChassis Setup Guide Italkart Chassis setup Guide Page 2 PLEASE NOTE... Before making any adjustments, be sure to test your Italkart in its recommended standard setup. It is essential to make only one adjustment at a time. must be set up with sufficient side grip to enable the inner-rear tire to lift upon entry, as it is faster to drive the kart through the corner than to try and slide through. Generally, when the chassis elements (axles, torsion bars, hubs, etc...) are on soft settings, the kart has less grip. Birel originated the "Cadet" chassis concept as far back as the 1970's and since the C28 came onto the scenes (originally called the L3) in the mid-2000's, it has become the benchmark for the 8-13 year-old age group classes including Cadet, MicroMax and MiniMax. MRP Motorsport has a new model on display in preparation for their Open House on...
