

Download Ford AU Ute Workshop Manual

Ford Falcon workshop and repair manual The Ford Falcon is a full-size auto that has been produced by Ford Australia since 1960. Currently the Falcon line-up is available in sedan plus utility body designs, yet in the previous panel vans, station wagons, plus hardtops were available. Ford announced The Ford Falcon is a full-sized car that was manufactured by Ford Australia from 1960 to 2016. From the XA series of 1972 onward, each Falcon and range of derivatives have been designed, developed, and built in Australia, following the phasing out of the American-influenced Falcon of 1960 to 1971, which had been re-engineered locally as the XK to XY series for the harsher Australian conditions.
