How to Prepare Sermons and Gospel Addresses [William Evans] on Amazon.com. *FREE* shipping on qualifying offers. In this excellent manual, William Evans offers practical guidance to preparing excellent, thought-provoking and eloquent sermons on a variety of spiritual topics. The first two thirds of this book contains a variety of discussions regarding sermons. It shows us how, scientifically, to prepare a sermon or gospel address, and how, effectually, to deliver it. Homiletics, then, is the art and science of preaching. Preaching is the proclamation of the good news of salvation through man to men. Its two constituent elements are-a man and a message-truth and personality. To compose a rough outline of your sermon, go to each section of the textbook and make a note of which parts in the textbook will influence your outline and which ones are not applicable. The ones that are not applicable are to be marked NA on your critical analysis of your sermon. How to Prepare Sermons and Gospel Addresses has 6 ratings and 1 review.
