The Nissan Titan ute has made it to Australian shores as part of conversion specialist Performax International's line-up. Powered by a 5.0-litre turbo-diesel V8, the Titan develops a meaty 235kW of ... The Automatic Transmission Conversion Kit Professionals. The OC DIESEL Organization employs an outstanding network team of people who strive to set the diesel performance aftermarket and service industry standards higher by applying their simple embedded business principles. The Nissan Silvia is the name given to the company's long-running line of sport coupes based on the Nissan S platform. Although recent models have shared this chassis with other vehicles produced by Nissan (most notably the European 200SX and North American 240SX in the S13 and S14 generations, and 180SX in the Japanese market), the name Silvia is interchangeable with the chassis codes. The Nissan Pathfinder is a lineup of sport utility vehicles manufactured by Nissan since 1986, originally sharing Nissan's compact pickup truck platform, and now in its fourth generation. The Pathfinder was marketed as the Terrano outside North America. Beginning in 2004, the R51 series was marketed internationally as the Pathfinder.
